Membership Information

The Selangor St. Andrew's Society has three types of membership.

Life Membership is for Scots or persons of Scottish descent. It costs RM 300 and, as the title suggests, is valid for the life of the member. There are no annual subscriptions and no further dues to pay.

Term Membership is for Scots or persons of Scottish descent. It costs RM 150 and this type of membership is valid whilst the member is resident in Malaysia. Should a Term Member cease to reside in Malaysia, their membership will automatically lapse. There are no annual subscriptions and no further dues to pay.

Friends of Scotland Membership is for those who have an interest in Scottish culture or some connection to Scotland such as having worked or studied in Scotland. It costs RM 150 and is valid whilst the member is resident in Malaysia. Should a Friends of Scotland member cease to reside in Malaysia, their membership will automatically lapse. There are no annual subscriptions and no further dues to pay. As this is an associate type of membership, Friends of Scotland members do not have voting rights at general meetings.

Reduced Rates for Members. There are generally two ticket prices at all of our dedicated events whereby members pay less than non-members.

Note: Spouse/Partner is given membership status for ticketing purposes.
